All our steaks are served with hand cut chips, plus a grilled tomato, flat mushroom and a salad garnish. Please just ask if you would like to swap chips for a different side

100z Rump Steak £24

Rump is our most flavoursome steak. Cut from the rear of the cow, it's still tender enough to be grilled quickly and served rare. This steak packs a tasty punch!

100z Sirloin Steak £28

So good it was knighted! This steak comes from between the rib and the rump and has the perfect balance of fat and tenderness - sitting between rump and fillet for taste and texture

80z Fillet Steak £33

The king of steaks. A prime cut from the middle of the cow's back. With very little fat it is incredibly tender. We recommend cooking from rare to medium

120z Ribeye Steak £34

A very popular steak. Cut from just above the ribs, an area that does very little work and makes ribeye exceptionally tender. We recommend cooking until medium

320z Tomahawk Steak £69

ideal for two to share. Includes a steak sauce and an extra side of your choice

The Tomahawk steak is an on the bone Rib steak, cut from the forerib with the bone left on. The meat is well marbled, rich and buttery making an exceptional piece of beef! This steak is BIG and worth the wait - allow 30-40 minutes for a cook to medium
